The mark

The letter s is the space between.

A lowercase s, drawn in Outfit Medium, forms the negative space that divides the mark into two halves.

One half is made of bars, a signal or waveform. The other half is a single solid wave, solid ground. Together they read as sound meeting earth.

Wordmark only

Use the horizontal lockup first. Use the stacked lockup in square or narrow spaces, the icon where space is tight, and the wordmark when the mark is already present.

Clear space and minimum size

Clear space

Keep a margin of x on every side, where x is half the height of the icon. Nothing else should enter this space.

Minimum sizes

Outfit Medium

The wordmark is always lowercase and set in Outfit Medium. It is supplied as outlined artwork, so never retype it.

Use Outfit for supporting text: Medium for headings, Regular for body. Outfit is open source under the SIL Open Font License and is free on Google Fonts.

abcdefghijklmnopqrstuvwxyz
